

 SNRMS Shivalik Natural Resources Management Society	Policy and Procedure for Credibility	Issue No.:01
	Document No.: SNRMS/ORG/NPOP/CRD	Revision No:00 Revision Date: 02-02-2026 Issue Date: 02-03-2026

Policy: SNRMS shall ensure that there is no misuse of the certification granted to the operator and of the implementation of the certification programme.

Procedure: The following checks shall be conducted for maintaining the credibility of the organization:

- Additional and unannounced Inspections shall be conducted for the operators.
- Sanctions policy as per NPOP shall be shared with operators.
- Operators with repeated infringements and violation of standards resulting in adverse credibility of SNRMS shall be subjected to financial and procedural sanctions and fine wherever applicable.
- Training programme shall be organized for the operators to make them aware about the adverse consequences of misuse of the certification granted to them.
- Participation in the organic/Food fairs shall be done to connect with the stakeholders across India for feedback.
